

As an American citizen who is a Christian, I feel my beliefs are often pushed aside in this country. K-LOVE is very important to me because it provides me a constant source of uplifting Christian music. If K-LOVE is displaced by an LPFM broadcaster providing other programming, this will be yet another example of liberals pushing their anti-Christian agenda on the country as a whole. In this country, we are supposed to have freedom of religion and freedom of choice. It is not alright to discriminate against anyone, including Christians.
